HOW ON-THE JOB TRAINING WORKS:

The process begins with an OJT agreement between Jefferson County Workforce Center and you, the business owner. This agreement can be written for any length of time up to a maximum of 6 months.

- As the Workforce Center, we will provide you with the best qualified, program eligible candidate that meets your needs.
- As a business, you agree to the following:
 - You are an established employer in Colorado for at least 120 days and possess a business license with a Federal Tax I.D. number.
 - You have not experienced layoffs within the past 60 days.
 - You are paying into workers' compensation and unemployment insurance.
 - You will provide OJT employees the same benefits (sick/vacation leave, health insurance, workers' compensation, etc.) as other similarly classified employees.
 - You retain the new employee after training is complete.
